

You Can Help Put Disabilities on ICE!

Dear Potential Sponsor,

The Florida Sled Hockey Association, a 501(c)(3) in the state of Florida, is pleased to invite you to sponsor our first annual Cornhole Tournament, Sunday, October 28 at 1:00PM. Our fundraising event will be held at Motorworks Brewery in Bradenton and will feature a single-elimination cornhole tournament, raffle prizes, a 50/50 and more. Event guests will also enjoy delicious offerings from local food trucks and a wide selection of craft brews. All proceeds from this special event will directly impact disabled athletes in Southwest Florida.

As you may know, the Florida Sled Hockey Association provides disabled athletes, including children, adults, and disabled veterans, the ability to play ice hockey in a format designed specifically for those with physical disabilities. Our recently established Ellenton-based program, the Florida Sea Dawgs, provides:

- Free equipment, including sleds and protective gear, to all players
- On-ice and off-ice training by USA Hockey® certified coaches
- Opportunities to travel and experience competition
- Growth opportunities from introductory play to the national level

Your sponsorship of our first annual Cornhole Tournament will enable our program to continue providing free sled hockey programs to disabled athletes in Charlotte, Collier, Lee, Manatee, Sarasota and surrounding counties.

Please review the attached event information sheet and sponsorship form. I welcome your questions; call or email for a prompt reply.

Thank you in advance for your consideration.
